The undersigned (the "Subscriber") hereby subscribes (the "Subscription") to the number of limited lability company membership interests ("Interests" or "Units") described on the signature page hereto. This Subscription shall become effective when it has been duly executed by the Subscriber and this Subscription Agreement (the "Subscription Agreement") has been accepted and agreed to by the Manager.

1.02 Receipt of Memorandum and Operating Agreement Acknowledged. The Subscriber acknowledges receipt of a copy of the Memorandum and the Operating Agreement.

THE SUBSCRIBER ACKNOWLEDGES THAT THE SUBSCRIBER IS ACQUIRING THE INTERESTS AFTER INVESTIGATION OF THE FUND AND ITS PROSPECTS AND THAT NO OFFER OR SOLICITATION HAS BEEN MADE TO THE SUBSCRIBER EXCEPT THROUGH THE MEMORANDUM. THE SUBSCRIBER FURTHER ACKNOWLEDGES THAT THE SUBSCRIBER IS NOT RELYING UPON ANY REPRESENTATION MADE BY ANY PERSON EXCEPT AS CONTAINED IN THE MEMORANDUM AND THE OPERATING AGREEMENT.

1.04 Terms and Conditions. The Manager shall have the right to accept or reject the Subscription, in whole or in part, for any reason whatsoever, including, but not limited to, the belief of the Manager that the Subscriber cannot bear the economic risk of an investment in the Fund or upon belief that the Subscriber is not capable of evaluating the merits and risks of an investment in the Fund or that the Subscriber is not an Accredited Investor, or for no reason at all. If this Subscription is rejected in full, or in the event the closing applicable to the Subscriber does not occur (in which event this Subscription shall be deemed rejected), this Subscription Agreement shall thereafter have no force or effect.

ARTICLE II
REPRESENTATIONS AND WARRANTIES

2.01 Representations and Warranties by the Manager. The Manager represents and warrants to the Subscriber that:

(a) The Manager has the full legal right, power and authority to: (i) enter into this Subscription Agreement and to perform the Manager's obligations hereunder; and (ii) execute and deliver this Subscription Agreement, and the consummation of the transactions contemplated herein will not result in a breach or violation of, or a default under, any agreement, law, regulation or decree by which the Fund is bound.

(b) The Subscriber will acquire the Subscriber's Interests free and clear of any liens, charges or encumbrances other than liens, encumbrances or restrictions on transfer created or imposed upon the holders under the Operating Agreement or under applicable state or federal securities laws.

(c) No registration with, application to, approval of, or other action by any U.S. federal, state or other governmental commission or regulatory body is required in connection with this Subscription Agreement and no U.S. federal or state agency has passed upon the Interests or made any findings or determination as to the fairness of this investment.

2.02 Survival of Representations and Warranties. The representations and warranties of the Manager shall survive the consummation of Subscriber's purchase and shall be fully enforceable at law or in equity against the Manager and its successors.

2.03 Disclaimer.

(a) It is specifically understood and agreed by the Subscriber that the Manager and its Affiliates have not made, nor by this Subscription Agreement shall be construed to make, directly or indirectly, explicitly or by implication, any representation, warranty, projection, assumption, promise, covenant, opinion, recommendation or other statement of any kind or nature with respect to the anticipated profits or losses of the Fund.

(b) The Manager has made available to the Subscriber and the Subscriber's accountants, attorneys and other advisors any and all data requested by the Subscriber as a basis for estimating the potential profits and losses of the Fund and the Subscriber acknowledges that the Subscriber has either reviewed such information or has waived review of such information.

2.04 General Representations and Warranties by the Subscriber. The Subscriber represents and warrants to the Manager and the Fund that:

(a) The Subscriber is acquiring the Interests for the Subscriber's own account, as principal, for investment purposes only and not with any intention to resell, distribute or otherwise dispose of or fractionalize the Interests, in whole or in part.

(b) The Subscriber has been furnished, has carefully read, and has relied solely (except for information obtained pursuant to paragraph (c) below), on the information contained in the Memorandum and Operating Agreement and the Subscriber has not received any other offering literature or prospectus and no representations or warranties have been made to the Subscriber by the Manager or the Fund, other than the representations set forth in the Memorandum, the Operating Agreement and this Subscription Agreement.

(c) The Subscriber has had an unrestricted opportunity to: (i) obtain additional information concerning the offering of Interests (the "Offering"), the Interests, the Manager, and the Fund, and any other matters relating directly or indirectly to the Subscriber's purchase of the Interests; and (ii) ask questions of, and receive answers from, the Manager concerning the terms and conditions of the Offering and to obtain such additional information as may have been necessary to verify the accuracy of the information contained in the Operating Agreement or otherwise provided.

(d) The Subscriber is an Accredited Investor. The Subscriber has such knowledge and experience in financial and business matters that he or she is capable of evaluating the merits and risks of investing in the Fund, and all information that the Subscriber has provided concerning the Subscriber, the Subscriber's financial position and knowledge of financial and business matters is true, correct and complete. The Subscriber acknowledges and understands that the Fund will rely on the information provided by the Subscriber in this Subscription Agreement and in the Investor Questionnaire that accompanies this Subscription Agreement for purposes of complying with U.S. federal and applicable state securities laws, and that the information contained therein is complete and accurate as of the date thereof. The Subscriber agrees to furnish any additional information requested by the Fund to assure compliance with federal and applicable state securities laws, including third party confirmation of his, her or its investor status under the Securities Act as required under Rule 506(c) of Regulation D. If there should be any change in any statement made herein, after the acceptance of this Subscription Agreement, including, without limitation, a change in Subscriber's status as an "accredited investor", Subscriber shall immediately notify the Company of such change.

(e) Except as otherwise disclosed in writing by the Subscriber to the Manager, the Subscriber has not dealt with a broker in connection with the purchase of the Interests and agrees to indemnify and hold the Manager and the Fund harmless from any claims for brokerage or fees in connection with the transactions contemplated herein.

(f) The Subscriber is not relying on the Manager, the Fund, or the references to any law firm in the Memorandum with respect to any legal, investment or tax considerations involved in the purchase, ownership, and disposition of the Interests. The Subscriber has relied solely on the advice of, or has consulted with, in regard to the legal, investment and tax considerations involved in the purchase, ownership and disposition of the Interests, the Subscriber's own legal counsel, business and/or investment adviser, accountant and tax adviser.

(g) If the Subscriber is a corporation, partnership, trust or other entity: (i) it is authorized and qualified to become a member in, and authorized to make its capital contribution to, the Fund; (ii) the person signing this Subscription Agreement on behalf of such entity has been duly authorized by such entity to do so; and (iii) unless otherwise approved by the Manager, in writing, such entity was not organized or reorganized for the specific purpose of acquiring the Interests.

(h) The Subscriber understands that Interests cannot be sold, assigned, transferred, exchanged, hypothecated or pledged, or otherwise disposed of or encumbered without the prior written consent of the Manager, which may be given or withheld in its sole and absolute discretion, and that no market will exist for the resale of any Interests. The Subscriber understands further that withdrawals are restricted as summarized under "*Summary of Fund Terms*" in the Memorandum. In addition, the Subscriber understands that Interests have not been registered under the Securities Act, or under any applicable state securities or blue-sky laws or the laws of any other jurisdiction, and cannot be resold unless they are so registered or unless an exemption from registration is available. The Subscriber understands that there is no plan to register the Interests under any law.

(i) The Subscriber understands the various risks of an investment in the Fund and that the Manager has conflicts of interest with the Fund, and the Subscriber has carefully reviewed the various risks and conflicts summarized under "*Certain Investment Considerations*" in the Memorandum.

(j) The Subscriber represents that it understands that an investment in the Fund involves significant risks not associated with other investment vehicles and is suitable only for persons of adequate financial means who have no need for liquidity in this investment. **The Subscriber also represents that no assurances or guarantees have been made to the Subscriber by anyone regarding whether the Fund's investment objective will be realized or whether the Fund's investment strategy will prove successful. The Subscriber recognizes that he or she may lose all or a portion of his or her investment in the Fund.** The Subscriber also understands that whether or not he or she is subject to income tax, an investment in the Fund could (if the Fund is successful) create taxable income or tax liabilities in excess of cash distributions to pay such liabilities.

(k) The Subscriber is willing and able to bear the economic risks of an investment in the Fund for an indefinite period of time. The Subscriber offers, as evidence of ability to bear economic risk, the information required hereinafter in this Subscription Booklet. The Subscriber has read and understands the provisions of the Operating Agreement.

(l) The Subscriber maintains its domicile and principal place of business, and is not merely a transient or temporary resident, at the address shown on the signature page of this Subscription Agreement.

(m) Any purchase of Interests will be solely for the account of the Subscriber, and, not for the account of any other person or with a view toward resale, assignment, fractionalization or distribution thereof.

(n) The Subscriber represents that all of the information contained in this Subscription Agreement is complete and accurate and that the Subscriber will notify the Manager immediately of any material change in any such information. The Subscriber understands that the Manager will rely on the information contained herein.

(o) The Subscriber represents that it has relied solely upon investigations made by himself/herself, his/her attorney and accountant and agents in making the decision to participate in the Offering. Subscriber further acknowledges that no statement, printed material or inducement has been given or made by the Fund or its representatives which is contrary to the information contained in the Memorandum.

(p) The Subscriber understands and expressly agrees that the Manager shall not be liable to the Fund or to the Subscriber for any loss or damage sustained by the Fund or by the Subscriber by reason of any act performed for and on behalf of the Fund or in furtherance of the Fund's business, or by reason of any inaction, except for action or inaction that is finally determined by a court of competent jurisdiction to have constituted fraud or bad faith and any liability of the Manager for any breach of any fiduciary duty not comprehended by the express language contained in the foregoing and any such fiduciary duty itself are hereby waived, all as provided and set forth in the Memorandum and the Operating Agreement.

(q) Except as specifically disclosed by the Subscriber in the Investor Questionnaire, the Subscriber is not a Benefit Plan Investor.[1]

(r) The Subscriber represents that neither (i) the Subscriber, nor (ii) any entity that controls the Subscriber or is under the control of, or under common control with, the Subscriber, is subject to any "bad actor" disqualifications described in Rule 506(d)(1)(i) through (viii), as modified by Rules 506(d)(2) and (d)(3), under the Securities Act, except for disqualifications covered by Rule 506(d)(2)(ii) or (III) under the Securities Act and disclosed in writing in reasonable detail to the Fund. The Subscriber represents that it has exercised reasonable care to determine the accuracy of the representation made by the Subscriber in this Section, and agrees to notify the Fund if it becomes aware of any fact that makes the representation given by it hereunder inaccurate.

(s) The Subscriber acknowledges that the Manager seeks to comply with all applicable laws and regulations concerning money laundering, organized crime, anti-bribery, economic sanctions, and terror financing and related activities (collectively "Anti-Money Laundering Laws") including, without limitation, the U.S. Bank Secrecy Act of 1970, as amended, the U.S. Money Laundering Control Act of 1986, as amended, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, as amended, the Foreign Corrupt Practices Act of 1977, or any similar U.S. federal, state or foreign law or regulation. In that regard:

(1) In order to assist the Manager and the Fund in complying with their obligations under the Anti-Money Laundering Laws, the Subscriber agrees to promptly provide such information and documentation as the Manager may hereafter reasonably request. In addition, the Subscriber understands that in order to comply with the Anti-Money Laundering Laws, the Manager may require such information or documentation from the Subscriber before its admission to the Fund, and may also require further information or documentation from time to time thereafter.

(2) In the event of a delay or failure by the Subscriber to produce any requested information or documentation, the Manager may refuse to accept the subscription for the Interest and the monies relating thereto. The Subscriber also agrees that the Manager, the Investment Advisor, and the Fund and their respective Affiliates, partners, members, directors, officers and agents shall be held harmless and indemnified against any loss arising from or in connection with a delay or failure to process any subscription pursuant to this Subscription Agreement if any information or documentation required by the Manager or the Fund has not been provided by the Subscriber on a timely basis.

(3) Notwithstanding any other provision of this Agreement, the Subscriber covenants that it will not Transfer all or any part of the Interest (or purport to do so) if such Transfer will cause (A) the Fund or

Generally, such a plan would include any plan, fund or program that is established or maintained for the purpose of providing medical, surgical or hospital care or benefits, or benefits in the event of sickness, accident, disability, death or unemployment, or vacation benefits, apprenticeship or other training programs, or day care centers, scholarship funds, prepaid legal services, holiday or severance benefits or retirement income, or income deferred to periods extending to the termination of employment or beyond, a trust described in Section 401(a) of the Code or a plan described in Section 403(a) of the Code, which trust or plan is exempt from tax under Section 501(a) of the Code, an individual retirement account described in Section 408(a) of the Code or an individual retirement annuity described in Section 408(b) of the Code.

the Manager to be in violation of any Anti-Money Laundering Law; or (B) the Interest to be held by any person or entity with whom U.S. persons are prohibited from dealing under the laws and regulations administered by the Office of Foreign Assets Control of the U.S. Treasury Department ("OFAC").

(4) The Subscriber, if an entity, acknowledges that: (i) it has carried out thorough due diligence to establish the identities of its beneficial owners; (ii) it holds the evidence of such identities and status and will maintain such information for at least five years from the date of its complete withdrawal from the Fund; and (iii) it will make available such information (and any additional information that the Manager or the Fund may require) upon request.

(5) The Subscriber does not know or have any reason to suspect that (i) the monies used or to be used to make the Subscriber's Capital Contributions to the Fund are, were or will be derived from or related to any illegal activities, including but not limited to, any activities that may contravene federal, state or international laws and regulations, including Anti-Money Laundering Laws, and (ii) the proceeds from the Subscriber's investment in the Fund will be used to finance any activities that may contravene federal, state or international laws and regulations, including Anti-Money Laundering Laws. In furtherance thereof, the Subscriber further acknowledges, represents and warrants to, and agrees with, the Manager and the Fund as follows:

(i) The representations and warranties set forth in this Section 2.04(s) shall be deemed repeated and reaffirmed by the Subscriber as of each date that the Subscriber is required to make Capital Contributions to, or receives a distribution from, the Fund.

(ii) The Subscriber hereby represents and warrants that, to the best of its knowledge, none of: (i) the Subscriber; (ii) any person controlling or controlled by the Subscriber; (iii) if the Subscriber is a privately held entity, any person having a beneficial interest in the Subscriber; or (iv) any person for whom the Subscriber is acting as agent or nominee in connection with this investment is a country, territory, individual or entity named on an OFAC list, nor is a person or entity prohibited under the OFAC Programs. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <http://www.treas.gov/ofac>. In addition, the programs administered by OFAC ("OFAC Programs") prohibit dealing with individuals or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists.

(iii) The Subscriber represents and warrants that, to the best of its knowledge, none of: (i) the Subscriber; (ii) any person controlling or controlled by the Subscriber; (iii) if the Subscriber is a privately held entity, any person having a beneficial interest in the Subscriber; or (iv) any person for whom the Subscriber is acting as agent or nominee in connection with this investment is a senior foreign political figure,[2] any immediate family member[3] or close associate[4] of a senior foreign political figure as such terms are defined in the footnotes below.

(iv) The Subscriber is not a non-U.S. banking institution (a "Foreign Bank") and does not receive deposits from, makes payments on behalf of, or handles other financial transactions related to a Foreign Bank.

(v) The Manager may, by law, be obligated to "freeze the account" of the Subscriber, either by prohibiting additional Capital Contributions from the Subscriber, declining any Transfer or

[2] A "senior foreign political figure" is defined as a senior official in the executive, legislative, administrative, military or judicial branches of a non-U.S. government (whether elected or not), a senior official of a major non-U.S. political party, or a senior executive of a non-U.S. government-owned corporation. In addition, a "senior foreign political figure" includes any corporation, business or other entity that has been formed by, or for the benefit of, a senior foreign political figure.

[3] "Immediate family" of a senior foreign political figure typically includes the figure's parents, siblings, spouse, children and in-laws.

[4] A "close associate" of a senior foreign political figure is a person who is widely and publicly known to maintain an unusually close relationship with the senior foreign political figure, and includes a person who is in a position to conduct substantial U.S. and non-U.S. financial transactions on behalf of the senior foreign political figure.

withdrawal requests with respect to such Interest and/or segregating the assets of the Subscriber in respect of the Fund in compliance with governmental regulations, and the Manager or its Affiliates may also be required to report such action and to disclose the Subscriber's identity to applicable governmental or regulatory authorities.

(vi) The Manager may, by written notice to the Subscriber, suspend the payment of any distributions otherwise payable to the undersigned if the Manager reasonably deems it necessary to do so to comply with Anti-Money Laundering Laws to the Fund, the Manager, or any Affiliates of the foregoing, or any other service providers of the Fund, the Manager, or any Affiliates of the foregoing.

(6) The Subscriber understands and agrees that any withdrawal or redemption proceeds paid to it will be paid to the same account from which the Subscriber's investment in the Fund was originally remitted, unless the Manager, in its sole discretion, agrees otherwise.

(7) By subscribing for the Interest, the Subscriber consents to the disclosure by the Manager of any information about it or about any beneficial owner to any relevant regulators and others upon request in connection with money laundering and similar matters both in the United States and in other jurisdictions.

(t) No View to Tax Benefits; Adverse Tax Consequences. The Subscriber is not acquiring the Interest with a view to realizing any benefits under U.S. federal income tax laws, and no representations have been made to the Subscriber that any such benefits will be available as a result of the Subscriber's acquisition, ownership or disposition of the Interest. The Subscriber has consulted its own accountant or tax adviser with respect to the tax consequences resulting from its acquisition, ownership or disposition of the Interest. The Subscriber is aware that the Fund intends to engage in transactions that may result in the recognition of "unrelated business taxable income" upon which certain investors who are normally exempt from U.S. federal income tax would be taxable. The Subscriber is aware that in any given year it may have substantial taxable income attributable to the Fund even though the Fund did not make distributions to it. The Subscriber is further aware that (i) a transaction undertaken by the Fund, or a tax accounting rule applicable to the Fund, may give rise to an allocation of taxable income to a Subscriber in an amount greater than the amount of income that such Subscriber would consider itself to have earned as an economic matter (including, but not limited to, allocations of taxable income resulting in taxation in excess of cash or property distributions in each case from the Fund to the Subscriber), (ii) such "phantom income" often may be reversed only with a corresponding deduction or loss in a later year and (iii) any such loss may be a capital loss that may not be used to offset ordinary income.

(u) Publicly Traded Partnership. The following representations are included with the intention of enabling the Fund to qualify for the benefit of a "safe harbor" under Treasury Regulations from treatment of the Fund as an entity subject to corporate income tax. Either:

(1) The Subscriber is not a partnership, grantor trust, or Subchapter S corporation for U.S. federal income tax purposes, or

(2) The Subscriber is a partnership, grantor trust, or Subchapter S corporation for U.S. federal income tax purposes, but (i) at no time during the term of the Fund will 65% or more of the value of any beneficial owner's direct or indirect interest in the Subscriber be attributable to the Subscriber's interests in the Fund, (ii) less than 65% of the value of the Subscriber is attributable to the Subscriber's interests in the Fund, and (iii) permitting the Fund to satisfy the 100-partner limitation set forth in Section 1.7704-1(h)(1)(ii) of the Treasury Regulations is not a principal purpose of any beneficial owner of the Subscriber in investing in the Fund through the Subscriber.

If the Subscriber is unable to make either of the foregoing representations, the Subscriber is advised to discuss with the Manager whether the Subscriber can provide other evidence (including opinions of counsel, if requested) satisfactory in form and substance to the Manager relating to the status of the Fund under Section 7704 of the Code.

No failure by any party to insist upon the strict performance of any covenant, agreement, term or condition of this Subscription Agreement or to exercise any right or remedy available upon a breach thereof shall constitute a waiver of any such breach or of such or any other covenant, agreement, term or condition.

3.13 Rights and Remedies. The rights and remedies of each of the parties hereunder shall be mutually exclusive, and the implementation of one or more of the provisions of this Subscription Agreement shall not preclude the implementation of any other provision.

ARTICLE IV
DISPUTE RESOLUTION

4.01 Exclusive Remedy – Binding Arbitration. **THE SOLE AND EXCLUSIVE REMEDY FOR ANY DISPUTE SHALL BE BINDING ARBITRATION**. To the greatest extent permitted by law, no party to this Agreement or any of their affiliates shall have the right to pursue, in court or through any other judicial or administrative proceeding, any dispute, claim, controversy, or cause of action arising out of or relating to the Investor's investment, this Agreement, any subscription agreement, any offering documents, any investment in real property or other assets sponsored by (a) Cardone Capital, LLC, its affiliates, subsidiaries, managers, officers, directors, employees, agents, and representatives, (b) Grant Cardone, or (c) any other investor in any investment sponsored, managed, or affiliated with Cardone Capital or Grant Cardone (collectively, the "Cardone Party"), or any relationship between the Investor and any Cardone Party (each, a "Dispute"). Instead, any and all Disputes shall be resolved through binding arbitration. The arbitration will be administered by Judicial Arbitration & Mediation Services, Inc. (JAMS) under its Streamlined Arbitration Rules & Procedures effective June 1, 2021 (the "JAMS Rules"). The arbitration shall be conducted as follows:

(a) The arbitration shall be conducted before a single arbitrator to be selected by the parties to the arbitration (the "Dispute Parties") within fourteen (14) days of service of the demand for arbitration or, absent agreement by the Dispute Parties, to be selected by JAMS's process in place at the time of the demand for arbitration. Unless otherwise agreed to in writing by the parties, the arbitrator shall reside in the Miami, Florida metropolitan area.

(b) THE PARTIES AGREE TO ARBITRATE SOLELY ON AN INDIVIDUAL BASIS, AND AGREE THAT THIS AGREEMENT DOES NOT PERMIT CLASS ARBITRATION OR ANY CLAIMS BROUGHT AS A PLAINTIFF OR CLASS MEMBER IN ANY CLASS OR REPRESENTATIVE ARBITRATION PROCEEDING. ABSENT THE WRITTEN CONSENT OF ALL DISPUTE PARTIES, THE ARBITRATOR MAY NOT CONSOLIDATE MORE THAN ONE PARTY'S CLAIMS AND MAY NOT PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING AND JAMS MAY NOT ORDER A CLASS ARBITRATION. IN THE EVENT THE FOREGOING PROHIBITION ON CLASS ARBITRATION IS DEEMED INVALID OR UNENFORCEABLE, THEN THE REMAINING PORTIONS OF THE ARBITRATION AGREEMENT WILL REMAIN IN FORCE.

(c) The parties agree to evenly split the fees and costs of the arbitration as invoiced by JAMS, but otherwise each party shall bear their own fees and costs associated with the arbitration.

(d) The arbitration shall be final and binding on the parties, shall be non-appealable and judgment upon any award rendered by the arbitrator may be entered in any court having jurisdiction thereof.

(e) The arbitrator shall have the power to rule on any challenge to its own jurisdiction or the validity or enforceability of any portion of the dispute resolution provisions in Section 16.15 of the Operating Agreement.

(f) The arbitrator shall have no authority to award punitive, exemplary, incidental, indirect, special, or consequential damages, or any damages other than actual compensatory damages. To prevent irreparable harm, the arbitrator may grant temporary or permanent injunctive or other equitable relief.

(g) The arbitration shall be confidential, and no party shall disclose the existence, content, or results thereof without the prior written consent of all parties, except as required by law.

(h) This arbitration agreement shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et seq.) and, to the extent not inconsistent therewith, the laws of the State of Delaware without regard to conflict of laws principles.

(i) The arbitration hearing shall be held in Miami, Florida, and the parties waive any objections that they may have based on improper venue or *forum non conveniens*.

(j) The arbitrator shall issue an award in writing within fourteen (14) days from the close of the hearing. In the event the Claimant unsuccessfully challenges the enforceability of this Section 16.15, and the Respondent is forced to compel arbitration in court, the arbitrator shall award the fees and costs arising from compelling arbitration to the Respondent, either as an addition to the Respondent or as a set-off against any award to the Claimant.

4.02 Limitations on Actions. No party may bring a claim or action, regardless of form, arising out of or related to this Agreement, including any claim of fraud, misrepresentation, or fraudulent inducement, more than one year after the cause of action accrues.

4.03 Survival and Severability. This Section shall survive the termination or expiration of the Operating Agreement. If any provision of Section 16.15 of the Operating Agreement is held to be unenforceable, the remainder of Section 16.15 of the Operating Agreement shall remain in full force and effect, and the unenforceable provision shall be reformed to the minimum extent necessary to make it enforceable. If for any reason, despite the terms hereof, any Dispute must be resolved in court, each Member irrevocably consents and agrees that any legal action or proceeding with respect to the Operating Agreement and any action for enforcement of any judgment in respect thereof shall be brought in the courts of the State of Florida for Miami-Dade County or the United States federal courts for the Southern District of Florida, and, by execution and delivery of the Operating Agreement, each Member hereby submits to and accepts for itself and in respect of its property, generally and unconditionally, the non-exclusive jurisdiction of the aforesaid courts and appellate courts from any appeal thereof. and irrevocably waives all right of trial by jury.
